

UTHSCSA Graduate Medical Education Policies

Section 7	Program Policies and Procedures	GMEC Approved:	December 2016
Policy 7.7	Consensual Relationships Policy	Revision GMEC Approved:	June 2024
		Responsibility:	Designated Institutional Official

Consensual Relationships Policy

~~specific emphasis on GME-related situations, and at~~

<http://uthscsa.edu/hop2000/4.2.4.pdf>.

Appropriate ethical and professional boundaries are an essential aspect of healthy medical education environments. If/when an individual with teaching, supervisory, advisory, or evaluative responsibility over residents or fellows has or develops a personal relationship with a resident or fellow, there is potential for violation of those boundaries. Thus, UTHSCSA requires reporting and mitigation in such situations.
